Las Vegas, Nevada

Owner: Marriott

Use: Hotel, Retail

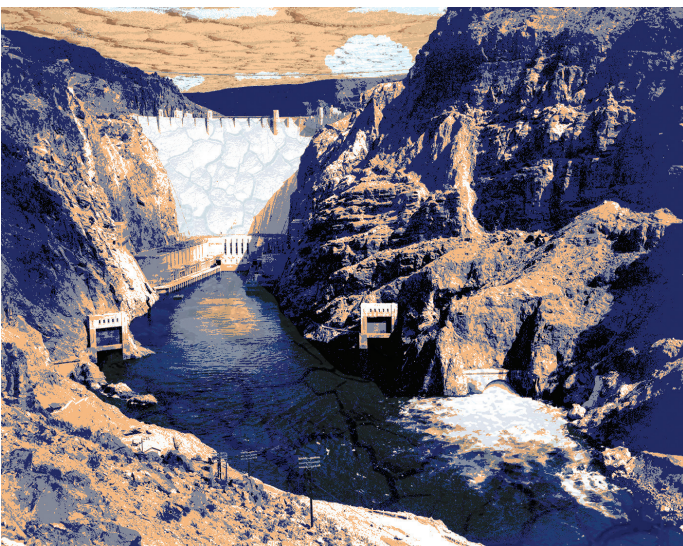

Area: - xxx sf

Services Provided: Architecture, Interior Design

Completion Date: In Progress

Proposal for a blind wall and Parking garage

Mural Proposal inspired by Ansel Adams. Artist: Blake Lasley, Digital collage, 2019

The proposed mural project is part of the design of the new Delta Hotel by OS Architecture.

For the design of the hotel in downtown Las Vegas, OSA proposed a mural over the entry inspired by a photo of the Hoover Dam by Ansel Adams.

OSA also proposed a modernist vertical abstract mural on a blind facade.

Client focused, delivering extraordinary service
