Mural Proposal for historical First National Bank

The Plan of the city and river is art

These mural projects are part of the renovation of 1.3M sq.ft. of the Harrah's Casino and Hotel by OS Architecture.

For the renovation of the First National Bank building is an historical landmark of downtown Reno, OSA proposed a mural over the entry referring to the city mining and cinematographic history.

For one of the towers, OSA proposed a Mondrian inspired large mural on a blind facade, coloring the city plan and river in modernist colors.
