

CYGNUS *Panel System*

Mission / Vision

- Unique, tested, patented exterior wall system
- **Cost effective, green, durable, panelized**
- Partners: Tom Obermeier, Aleksandr Sheykhet, Bill Loper, Gary Paoli
- System Origins
 - Desire to Install Large Tile on Exterior
 - Buchtal Kerion System
 - Panelization for Cost effectiveness
- Patents: 1986-2001
- Now: Cygnus 2010

Cygnus Panel Composition

Note: Cygnus Panel System label shall be attached to all Cygnus Panels.

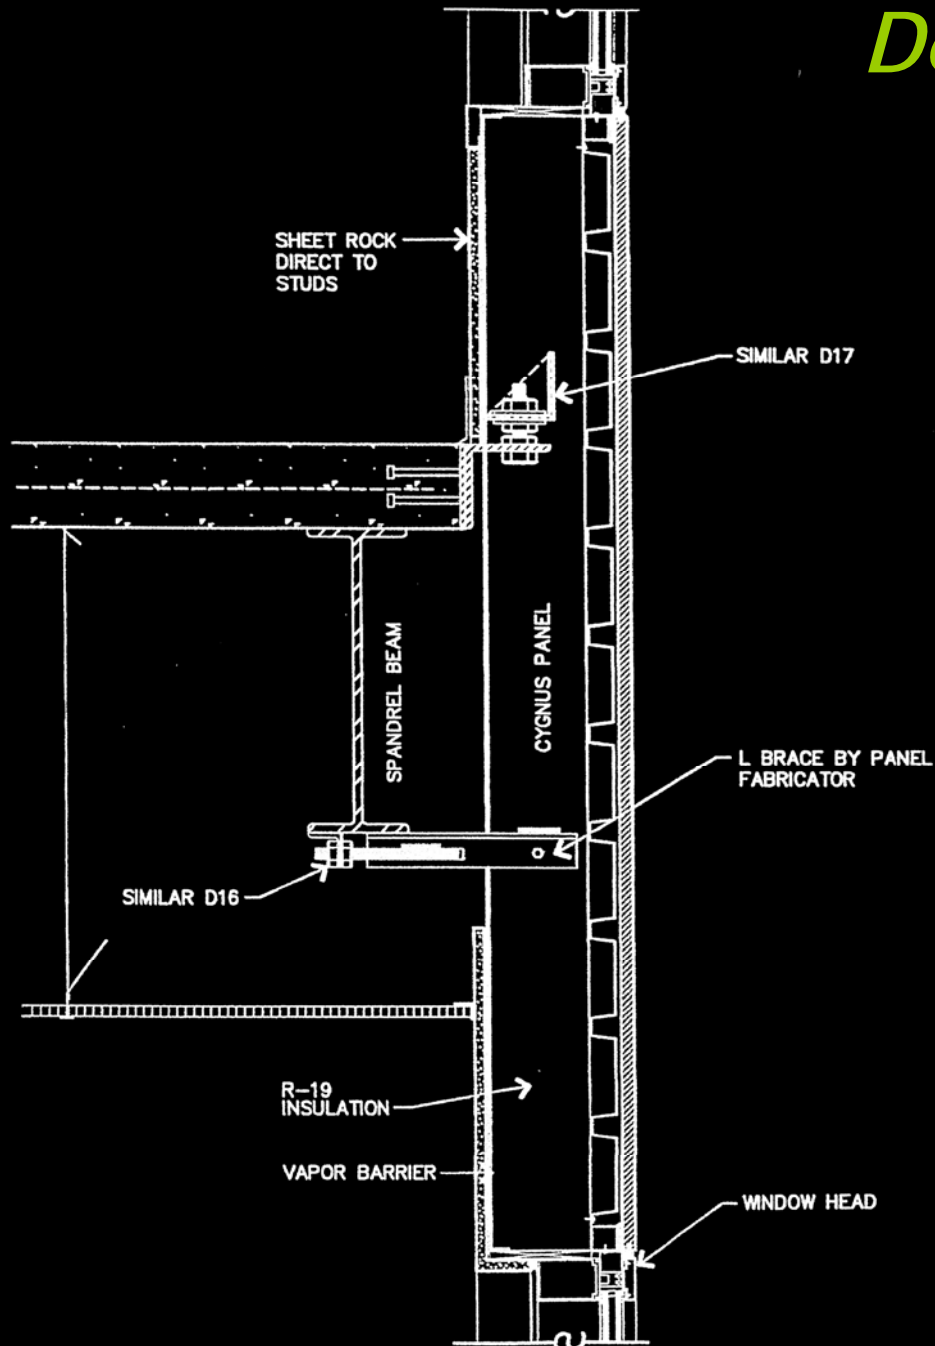

Cygnus Options

- Tile or Stone
- Surface Waterproofed System
- Rain Screen System
- Thermally Broken System
 - LEEDwall
 - Canada Wall

Specifications & Testing

Approved Laboratory Tests

Construction Research Laboratory, Inc., Miami, Florida: September 20, 1982; December 10, 1985; February 12, 1987; October 19, 1987; November 30, 1987; November 16, 1989

Smith-Emery Company, Los Angeles, California: March 12, 1987; March 26, 1987

Construction Consulting Laboratory, Ontario, California: September 21, 1987

Building Research Association of New Zealand, Wellington, New Zealand: April 14, 1988

National Building Technology Centre, Sydney, New South Wales, Australia: December 23, 1987

Tests Performed

Air Infiltration by Static Pressure
(ASTM E283)

Water Infiltration by Static Pressure
(ASTM E331)

Water Infiltration by Dynamic Pressure
(NAAMM TM-1-68T; AAMA TM-1-76)

Structural Performance
(ASTM E330)

Thermal Cycling Test

Seismic Performance at 200% Design
Displacement (1.42")

Fire Resistance Tests of Elements of Building
Construction
(AS 1530.4-1985)

Code Approvals

NER #313

Building Officials and Code Administrators
International, Inc.

International Conference of Building Officials

Southern Building Code Congress
International, Inc.

Performance

The Cygnus Panel has passed all tests.

Results of the tests are available through
Cygnus, Inc.

Cygnus 2010 Services

- Licensee Support
 - Marketing Material
 - Technical Data
 - Testing
 - Engineering & Design
 - Full Submittal Service
 - Shop Drawing
 - Manufacturing Data
 - No Samples
 - Bidding Assistance

Highlights

- The only panelized system to allow installation of the **large size** ceramic tile on building extension
- Economical way to erect maintenance-free stone & tile skin with shop controlled industrial process (**more cost effective than curtain wall or clips**)
- Energy efficient, thermally broken, **environmentally conscious** wall options
- **Full support** from licensor
 - Technical
 - Marketing
 - Pre-Construction, Construction Phase, Final Acceptance Assistance

Thank You

CYGNUS Panel System
